

## **Daily Crime and Fire Logs, Timely Warnings, and Emergency Notifications**

Compliance with the Clery Act involves maintaining a Daily Crime Log, a Daily Fire Log, and distributing Emergency Notifications or Timely Warnings when necessary. The Daily Crime Log and Daily Fire Log may be reviewed in person during normal business hours at the Department of Public Safety, Dining/Academic Building, 1500 SW Chandler Avenue, Bend, Oregon. The primary method OSU-Cascades uses to distribute Emergency Notifications and Timely Warnings is OSU Alert. To receive OSU Alerts, please go to the [OSU Alert Portal](#).

Each Oregon State University campus with a Department of Public Safety keeps a daily crime log to record all criminal incidents and alleged criminal incidents that are reported to the campus police or security department. The purpose of the daily crime log is to provide crime information on a timelier basis than the annual statistical disclosures. Daily crime logs reflect the most recent 60-day period and are available for public inspection, free of charge, upon request, during normal business hours.

A daily crime log for the Corvallis campus is available during normal business hours at the Department of Public Safety, 200 Cascade Hall, 601 SW 17th Street, Corvallis, Oregon. The daily crime log may also be requested at [Public.Safety@oregonstate.edu](mailto:Public.Safety@oregonstate.edu). A printed copy of the log will be sent to you free of charge.

Hatfield Marine Science Center (HMSC) does not have a campus police or security office, and as a result, does not maintain a daily crime log.

Central Oregon Community College (COCC), Campus Public Safety completes a daily crime log for the OSU-Cascades campus, which is available for review by the public during business hours at the Safety and Security Office located at 161 Boyle Education Center, 2600 NW College Way Bend, Oregon.

The daily crime log at Oregon State University's campus at Eastern Oregon University (EOU) is maintained by EOU's Security Services Office and is available for review during normal business hours at 002 Ackerman, One University Boulevard, La Grande, Oregon.
